

INSTRUCTIONS

Each author must read and complete sections 1 to 3:

- 1) authorship responsibility, criteria, and contributions
- 2) financial disclosure and funding support
- 3) copyright transfer

The corresponding author must also read and complete section 4:

- 4) acknowledgement statement

Authorship, Disclosure, Copyright, and Acknowledgement

The *Canadian Journal of Ophthalmology (CJO)* will not publish any manuscript until this form, signed by each author, has been received by the editorial office. Please photocopy this form as required.

1) Authorship responsibility, criteria, and contributions

I certify that:

- the manuscript represents original work and neither this manuscript nor one with substantially similar content under my authorship has been published nor is under consideration for publication elsewhere.
- I have participated to a sufficient degree to take public responsibility for the work.
- I will produce the data on which the manuscript is based for examination by the *CJO* if requested.
- I have reviewed and approved the manuscript submitted for consideration.
- I agree to permit the corresponding author to serve as the primary contact with the editorial office, make decisions regarding manuscript submission, review the edited author proofs, and approve the final version for publication.

I have made substantial contributions to the intellectual content of this manuscript in the following 3 categories:

1. (check at least 1 of 3 below)

- conception and design
- acquisition of data
- analysis and interpretation of data

2. (check at least 1 of 2 below)

- drafting the article
- revising it critically for important intellectual content

3. (check at least 1 below)

- statistical analysis
- obtaining funding
- administrative, technical, or material support
- supervision
- other (specify) _____

2) Financial disclosure and funding support

Check one of the following:

- I have no conflicts of interest relevant to the subject matter or materials discussed in the manuscript.
- OR
- I certify that all conflicts of interest relevant to the subject matter or materials discussed in the manuscript (e.g., employment/affiliation, stock ownership or options, honoraria or travel fees, consultancies, grants or funding, or patents or royalties) are disclosed in the Acknowledgement section of the manuscript.

Check also if applicable:

- I certify that all funding, support, or sponsorship for the work presented in the manuscript is clearly stated in the Acknowledgement section of the manuscript.

3) Copyright transfer

In consideration of the Canadian Ophthalmological Society (COS) taking action in reviewing and editing this submission, I hereby transfer, assign, or otherwise convey all copyright ownership exclusively to the COS in the event that such work is published in the *Canadian Journal of Ophthalmology*.

I have read, completed, and certify the information in sections 1 to 3.

4) Acknowledgement statement

Corresponding author signature required.

Please disregard this section if you are NOT the corresponding author.

All contributors who do not meet the criteria for authorship should be listed in the Acknowledgement section of the manuscript. All persons named in the Acknowledgement section must provide the corresponding author with written permission to be listed. A copy of this permission may be requested by the *CJO* from the corresponding author prior to publication.

The *CJO* does not permit guest or ghost authors.

I certify that:

- all persons who contributed significantly to the work presented in the manuscript (e.g., technical or writing assistance) but who do not meet the criteria for authorship are named in the Acknowledgement section of the manuscript.
- all persons named in the Acknowledgement section of the manuscript provided me with written permission to be named and I will provide the *CJO* with copies of this permission if requested.
- if an Acknowledgement section is not included, no other persons have made substantial contributions to this manuscript.
